

Workshop SPIRIT: a Plan for Miracles®

Lily Dale Assembly

August 2, 2018
2- 5 pm

Workshop Description

How do we live a life of miracles? Is it possible to change the momentum tunnel of our lives, and to live and do what we truly desire? How do we know if the messages we receive are the right ones?

When we work at the level of Spirit, and remain grounded and safe, we never work alone. We can access the level of the Divine, for the highest good, and all that we do becomes more powerful and effective. We achieve with Ease. Discover how to live and work at the level of Spirit, where miracles happen. By allowing and working with this higher realm we leverage our life's force with ease and grace. We receive guidance and protection on our soul's journey.

In this interactive workshop, you will receive valuable and easy-to-use tools to bring back into your life. You will learn key practices from the program of personal transformation – SPIRIT: a Plan for Miracles®. Susan Norton makes this work easy, accessible and profound.

In this workshop we will learn:

- * **How to open Sacred Space**
- * **How to open a Spirit Bubble of protection over ourselves and others**
- * **Healing Touch/Body Talk to remove pain and get messages from the body**
- * **Take a Shamanic Drum Journey to connect with Mother Earth**
- * **Connect with our personal guides for information and protection**
- * **How to Say 'Yes' to Spirit, and have Spirit say 'Yes' to you**
