Do you long to live at the level of the Divine? To release your blocks and experience firsthand the miracles you truly deserve? Join Susan Norton of Shamanic Services by Susan as we enter the world of the sacred and explore together techniques and practices from the transformational program SPIRIT: a Plan for Miracles®.

We will discover how to create sacred space, open a spirit bubble of protection over ourselves and others, practice healing touch/body talk to remove pain, and take a shamanic drum journey to connect with Mother Earth. More will be revealed this evening, as we enter the world of Spirit, together.

Susan Norton, MS, HLB is a certified shamanic practitioner through the Four Winds Society and Alberto Villoldo. She holds an MS in Education with over 16 years teaching experience. Based in Ithaca, Susan is a presenter and has led workshops and sacred travel internationally.
